Motorcycle fatality On I-80 identified

A 51 year old Vancouver, Washington man died Saturday night when he lost control of his motorcycle on I-80 five miles west of Kimball. The Nebraska State Patrol Identified the man Monday morning as Kenneth Morton

The patrol says the motorcycle was westbound when it slid into the median and rolled . The driver was ejected and thrown into the westbound passing lane.

The accident happened around 10 p.m.

Meanwhile two people were taken to the Kimball Hospital after a semi pulling a trailer was blown onto its side in heavy winds 3 miles west of Potter on I-80 around 8:30 p.m. Saturday night.

The driver 45 year old Patricia Rawlins of Santa Clarita, California and her husband Johnny were not listed in the hospital directory Monday morning.
